

## 2016-2017 4<sup>th</sup> Grade Instructional Fee

Based on teacher feedback that they spend valuable classroom time tracking/collecting money, and parent feedback that searching for the checkbook & an envelope adds to already-chaotic mornings, MES has created an Instructional Support Fee for each grade-level based on the instructional tools and field trips that are needed/planned by the teachers. This fee includes all field trips/programs for the school year as well as a student fee.

Trip	Fee Per Child	Trip	Fee Per Child
Young Audiences (Buttons for General Washington and Laughing Matters)	\$6	HTHT (Power of Light, Meteorology Madness, Newton in a Nutshell, and Finally Fun Machines)	\$36
Puppetry Center	\$11	Stone Mountain -Colonial Georgia	\$17
Jim Cherry Planetarium			\$8

**The total for this year is \$78 per child.**
