# Proofreading for Spelling

Find the misspelled words and circle them. Write them correctly on the lines below.

I'm so jazzed! On our way to visit my grandparents, we saw a Grizzly Giant. You're probably thinking we saw a huge black, heiry bear with sharpp teeth, or that maybe we saw a very tall, weard person wearing a teer-shaped diamond earing. Nope. The Grizzly Giant is at least 200 feet tall and 30 feet around. It's a Sequoia tree!

Dad shifted into first geer, pulled over, and stopped the car. We went for a walk to look at these giant trees and discovered that you can even walk through some of them!

We heard clapping and a loud cher coming from the visitors center. Since we were on vacation and had lots of spar time, we decided to explore. Inside, the park ranger told us the upsteirs theater had a short movie about the park. She looked at her squar-shaped watch and said the next show started in five minutes.
